WHEREAS, GRANTOR is the owner of real property located at 34 Roosevelt Avenue, Pawtucket, Rhode Island (identified as Plat 53, Lot 583 by the Assessor of the City of Pawtucket) (the “Property”), adjacent to the so-called Main Street Dam (also referred to as the Pawtucket Lower Dam, State Dam ID # 066, and Federal Dam ID # 04271) (the “Dam”) in the City of Pawtucket, County of Providence, State of Rhode Island, which real property is bounded and described in Exhibit “A” attached hereto and made a part hereof.

WHEREAS, the STATE desires temporary access to a portion of the Property for the purpose of constructing a fish ladder on the Dam and a downstream bypass through the Property to provide for fish passage, which is shown as Easement Area on Exhibit “A” and referred to herein as the “Premises.”

NOW THEREFORE, for and in consideration of the sum of Ten Dollars ($10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the GRANTOR grants to the STATE on the terms and conditions contained herein:
A. The temporary access and right of way to the Premises to construct a downstream bypass on the Blackstone River, around the Dam, through the Property, to provide passage for fish. The temporary construction access allowed by this Agreement shall commence upon notification to GRANTOR of the commencement of construction and shall terminate upon the earlier of: (i) no later than two (2) years after commencement of construction unless an extension is mutually agreed upon in writing by STATE and GRANTOR (which in no event shall such rights extend past December 31, 2015); or (ii) December 31, 2015.

It is the intention and agreement of the parties hereto that:
